PROFESSIONAL SUMMARY

Versatile professional with a blend of technical development, administrative support, and project management experience. Self-taught fullstack developer skilled in building web applications, optimizing digital solutions, and providing efficient support. Strong in communication, teamwork, and analytical thinking, with a track record of delivering results in remote and contract roles. Adaptable to various industries, from tech to administration.

PROFESSIONAL EXPERIENCE

Fullstack Developer (Freelance)

2023 – Present

Fullstack Developer

Remote

- Collaborated with clients on digital projects, drafting project communications, gathering requirements, and delivering solutions that increased client retention by 60%.
- Conducted online research and data analysis for web optimizations, using spreadsheets and tools to report insights and enhance user experiences.
- Managed remote workflows, anticipating client needs and troubleshooting issues with minimal guidance.

Web Developer (Contract)

01/2025 – 11/2025

Newtral Studios

Abuja, Nigeria

- Supported agency teams in website development and maintenance, handling updates, content management, and creative tasks in a hybrid environment.
- Coordinated with clients via email and video calls, planning project timelines and ensuring seamless delivery.
- Performed research and analysis for UI/UX improvements, contributing to scalable digital solutions.
- Used tools like trello and google chats to coordinate the team and ensure seamless communication.

Fullstack Developer (Freelance)

11/2025 – Present

Abode Luxury 

Remote

- Built a sleek, gallery-focused portfolio website for Abode Luxury NG using EJS and JavaScript.
- Centralized the entire luxury interior design portfolio into a clean, visually immersive gallery section.
- Significantly increased brand visibility and online organization by creating a premium, responsive showcase.
- Improved client engagement with intuitive “See Gallery” and “Book Consultation” flows for high-net-worth inquiries.

Fullstack Developer (Freelance)

10/2024 – 11/2025

Starlight-SMS 

Remote

- Assisted in building subscription platforms, managing customer inquiries and technical setups for affordable digital services.
- Handled data collection and reporting on user interactions, using analytical skills to optimize performance.
- Collaborated remotely with teams, drafting updates and supporting creative media integrations.

Fullstack Developer (Contract)

04/2024 – 11/2025

Hephzibah Interbiz Int'l 

Remote

- Developed e-commerce website features, including administrative tools for inventory and customer management.
- Interfaced with stakeholders to gather feedback and iterate on designs.

Website Manager

Dr. Bode Oguntoke [🔗](#)

12/2025 – Present
Remote

- Manage the official personal brand website for Dr. Bode Oguntoke ([drbodeoguntoke.com](#) [🔗](#)), a leading finance executive, mentor & thought leader in risk management and IT security.
- Curate and regularly update all website content, blogs, media assets, testimonials, and mentorship program details to keep the platform fresh and impactful.
- Handle full-site maintenance, content strategy, and media uploads, significantly boosting his online visibility and professional presence.
- Ensure seamless user experience across About, Testimonials, and Mentorship sections to attract high-caliber mentees and strengthen his personal brand.

Fullstack Developer

DBO Green Academy [🔗](#)

01/2026 – Present
Remote

- Developed and manage the official DBO Green Academy website ([academy.drbodeoguntoke.com](#) [🔗](#)), Dr. Bode Oguntoke's premium mentorship platform for young professionals.
- Built and structured all core sections: About the Academy, Meet the Founder, Meet Your Mentors, and Success Stories.
- Regularly curate and update mentorship program content, testimonials, mentor profiles, and calls-to-action to drive applications.
- Boosted the academy's online visibility and credibility, positioning it as a leading destination for career clarity and purposeful growth in Africa.
